Sir:

The Examiner is thanked for permitting the Applicants to resubmit the enclosed Response to Election/Restriction without requiring an extension fee.

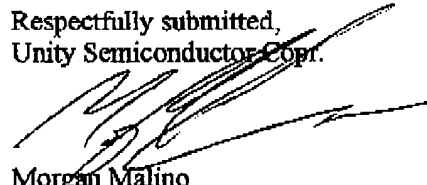

As was explained to the Examiner on September 10, 2004, the Applicants attempted to transmit the enclosed Response to Election/Restriction by facsimile on August 9, 2004. Due to an improperly configured header, no Auto-Reply Facsimile Transmission was received. However, the Applicants' fax machine indicated 11 pages were sent without error in its printed confirmation report. On August 10, 2004, the Applicants attempted to transmit the same response (with a new cover sheet and a copy of the confirmation report) directly to the Examiner's personal fax number. The fax machine again indicated a successful transmission of 13 pages. However, when the Applicants checked the status of the Response via PAIR on September 9, 2004, the complete transmission was indicated as not being received.
